Dear Sir,

AICTE has been assigned the task by MHRD of creating rules, regulations and norms for implementing technical education through distance learning/mixed mode/blended learning methodologies.

An Expert Committee has been formed to create a Policy framework for the above. The Committee is scheduled on March 7, 2013 at 10.00 a.m.

You are requested to provide a copy of the current methodology of the programmes you conduct, norms as you follow, and the curriculum that you prescribe before the Committee so that the Committee can deliberate on the same and take appropriate decisions.

With regards,

Yours sincerely,
