

**Indian Electrical & Mechanical Engineers Institution
(IEMEI) Questionnaire**

Q. What is AMIEME or DIPIEME-TMIEME-DMIEME?

Ans. AMIEME is Associate Membership of Indian Electrical & Mechanical Engineers Institution examination that is conducted by Indian Electrical & Mechanical Engineers Institution. AMIEME is a professional engineering degree certification provided by IEMEI or DIPIEME-TMIEME- DMIEME is a engineering diploma certification provided by IEMEI. It is an alternative option for those who cannot pursue for an engineering degree or diploma course as a regular student in an engineering college

Q. Is an AMIEME degree or DIPIEME-TMIEME-DMIEME diploma equivalent to Engineering Degree or Diploma?

Ans. An AMIEME degree or DIPIEME-TMIEME-DMIEME is equivalent to any other engineering degree or diploma approved by Central Government Departments, UPSC, and SSC, AICTE or any other engineering degree approved by state governments. After having done with AMIEME degree or DIPIEME-TMIEME-DMIEME diploma, the candidate can also opt for higher studies such as bachelor's degree after diploma or master's degree in engineering after AMIEME. The candidates are also then eligible to work with any private or government organization as per their respective field of specialization.

Q. What is IEMEI?

Ans. IEMEI is a multi- disciplinary engineering organization that provides a platform to promote professional studies in approximately 50 disciplines of engineering. The IEMEI is in Delhi.

Q. What is the advantage of AMIEME or DIPIEME-TMIEME over a regular Engineering Course?

Ans. A person who is working can study this course without being affecting their job. The person may be employed in India or Abroad but one may pursue the engineering degree and improve their position and future prospects by passing examinations.

Q. What are the age criteria for a candidate to be elected as a Member?

Ans. The candidate should be 17 years of age on the date of application

Q. Where is the IEMEI Examination conducted?

Ans. Examination is conducted in 119 centers in India and abroad. A candidate may appear at any of the centers according to his preference by mentioning the exam centre code of the desired centre in the examination form.

Q. Who is eligible to take IEMEI exam?

Ans. The IEMEI exam may only be taken by the members of the Indian Electrical & Mechanical Engineers Institution according to their eligibility and qualifications. To appear for AIEEE, the candidate should be the member of IEMEI which is known as Associate Member or Technician/Diploma membership, depending upon stream respectively. To obtain IEMEI membership, the candidate may apply online on www.iemei.in

Q. What is the duration of each IEMEI exam?

Ans. The duration is 3 hrs for an IEMEI exam

Q. Is an degree holder eligible for the entrance exams required for admission into further post-graduation programs and civil services?

Ans. An AMIEME degree holder is eligible for taking examinations like GRE, GATE, Civil Services, and Indian Engineering services

Q. When is the IEMEI examination held during the year?

Ans. The IEMEI examination is held mostly twice a year. It is conducted mostly in June and December and is termed as Summer and Winter Examination respectively.

Q. What is the syllabus of AMIEME or DIPIEME-TMIEME-DMIEME?

Ans. The syllabus for AMIEME is almost similar to that of B.E. or B.Tech. The syllabus has two parts, called Section A and Section B. First, Section A should be cleared and then Section B. Similarly DIPIEME-TMIEME-DMIEME is almost equivalent to Diploma Engineering. The syllabus has two parts, called Part 1 and Part 2. Part 1 should be cleared and then Part 2

Q. What are Section A and Section B of AMIEME syllabus and Part 1 and Part 2 of DIPIEME-TMIEME-DMIEME?

Ans. Section A or Part 1 consists of fundamentals of Engineering where as in Section B or Part 2 the candidate has to select one of the branches of Engineering available. Project Work and Lab Experiments are included in Section B or Part 2 to pass on practical knowledge to the students

Q. What is the duration of completion of AMIEME or DIPIEME-TMIEME-DMIEME?

Ans. IEMEI provides flexibility of duration for completion of Academic Membership. A candidate may take up to 6 years for the completion of all the subjects in Section A or Part 1 another 6 years for the completion of Section B or Part 2.

Q. Is AMIEME or DIPIEME-TMIEME-DMIEME a computer based exam

Ans. AMIE or DIPIE-TMIIE-DMIIE is a written type where there is no Viva, no internal assessment and no Practical exam

Q. What is the AMIEME or DIPIEME-TMIEME-DMIEME exam pattern?

Ans. Each AMIEME exam paper is of three hours of duration. The exact dates and the details of the examination are declared by IEMEI website www.iemei.in.

Q. Who is the responsible authority for IEMEI exam?

Ans. Indian Electrical & Mechanical Engineers Institution conducts exam and issues certificates. The IEMEI Institution is not involved in the preparation for the exams

Q. Are the application forms for Academic Membership available online?

Ans. The application forms for Academic Membership are available online on <https://iemei.in/>

Q. What is the official website for IEMEI?

Ans. The official website of Indian Electrical & Mechanical Engineers Institution is www.iemei.in.

Q. Is it possible to take Academic Membership exam in Hindi?

Ans. The candidate can take Academic Membership exam in Hindi medium, provided the candidate has passed in Hindi medium. Then both the sections, have to be taken in Hindi. IEMEI mentions that the candidate has passed in Hindi in the final certificate

Q. What is the procedure to apply for Project Work?

Ans. The candidate may apply for project work after passing Section B or Part 2. IEMEI then sends all the related documents for conducting lab experiments and project
